## Oblong suction cup with 1.5 bellow Specifically designed for cheese

Industry-specific applications

Types of use

To meet the requirements of applications for handling soft and fragile food products such as soft cheese, COVAL has developed a 1.5 bellow oblong suction cup made of food-grade silicone that can be fitted with a stainless steel grid, which prevents deforming the food product.

- Suction cup made of 50 Shore A blue silicone that complies with food standards (FDA and CE 1935/2004).
- 1.5 bellow
- Dimensions: 65 x 150 mm
